The non-defaulting Party may suspend performance of its obligations under this Master Agreement until such Event of Default is cured, or if the Event of Default is a failure to pay, until such amounts plus interest at the Interest Rate have been paid, and/or exercise any remedy available at law or in equity to enforce payment of such amount plus interest at the Interest Rate.

B) If Buyer fails to accept all or any part of the quantity of SRECs to be delivered under this Master Agreement, Buyer shall pay Seller within five (5) Business Days of invoice receipt, an amount for such deficiency equal to the positive difference, if any, obtained by subtracting the Sales Price from the Contract Price plus reasonable legal costs incurred by Seller in enforcement and protection of its rights under this Master Agreement.

C) Unless excused by Force Majeure or Buyer's material failure to perform, if Seller fails to deliver all or any part of the quantity of SRECs to be delivered under this Master Agreement, Seller shall pay Buyer within five (5) Business Days of invoice receipt, an amount for such deficiency equal to the positive difference, if any, obtained by subtracting the Contract Price from the Replacement Price plus reasonable legal costs incurred by Buyer in enforcement and protection of its rights under this Master Agreement. For the avoidance of doubt, the remedies set forth in (B) and (C) of this Paragraph 8 shall be the sole and exclusive remedies of the aggrieved Party for the failure of the other to deliver or accept, as the case may be, the quantity of SRECs specified herein and all other damages and remedies are hereby waived as to such failure(s), except (i) that the non-defaulting Party shall retain the right to terminate this Master Agreement as set forth in Paragraph 8(A) and (ii) as set forth in Paragraph 9.

In the event Seller is required by law or regulation to remit or pay Governmental Charges which are Buyer’s responsibility hereunder, Buyer shall promptly reimburse Seller for such Governmental Charges. If Buyer is required by law or regulation to remit or pay Governmental Charges which are Seller’s responsibility hereunder, Buyer may deduct the amount of any such Governmental Charges from the sums due to Seller under this Master Agreement. Nothing shall obligate or cause a Party to pay or be liable to pay any Governmental Charges for which it is exempt under the law and timely asserts and diligently pursues such exemption, until final determination thereof.

17) INDEMNITY

Each Party shall indemnify, defend and hold harmless the other Party from and against any Governmental Charges or Claims arising from or out of any event, circumstance, act or incident first occurring or existing during the period when control and title to SRECs is vested in such Party.

Force Majeure shall include, but not be limited to, acts of God, earthquakes, fires, floods, storms, strikes, labor disputes, riots, insurrections, acts of war (whether declared or otherwise), acts of governmental, regulatory or judicial bodies, but if and only to the extent that such event or circumstance prevents either Party from carrying out, in whole or part, its obligations under the transaction and such Party (the “Claiming Party”) gives notice and details of the Force Majeure to the other Party as soon as practicable, then, unless the terms of the Confirmation specify otherwise, the Claiming Party shall be excused from the performance of its obligations with respect to such transaction (other than the obligation to make payments then due or becoming due with respect to performance prior to the Force Majeure). As soon as and to the extent that the Force Majeure terminates or is overcome, the Claiming Party’s obligations hereunder shall resume.

(“PJM”) regarding a Party’s authority to sell or purchase SRECs ((i) and (ii) each being a “Change in Applicable Law”) and such Change in Applicable Law either (a) renders this Master Agreement illegal or unenforceable, (b) would render performance by a Party illegal or unenforceable, (c) eliminates, abolishes or makes illegal the trading or transferring of SRECs, or (d) eliminates, reduces or materially changes the RPS SREC requirement, then promptly after such Change in Applicable Law occurs, the Parties shall engage in good faith negotiations to reform this Master Agreement in order to give effect to the original intention of the Parties.

If, following such good faith negotiations, the Parties are unable to reform this Master Agreement, the affected Party may, at any time following the Change in Applicable Law, terminate this Master Agreement, provided, however, that such termination shall have no impact on any transaction occurring prior to the Change in Applicable Law.

IN WITNESS WHEREOF, and intending to be legally bound, the Parties have executed this Master Agreement by their undersigned duly authorized representatives.
