I.2 Ranges of RECs Available

SREC Product

PSE&G, JCP&L, ACE, and RECO will be the sellers of SRECs in the Auction. There will be two vintages of SRECs available in this October 2026 Auction: 2026 SRECs and 2027 SRECs. The EDCs estimate that there will be between 600 and 1,000 2026 SRECs and between 45,000 and 60,000 2027 SRECs available at the Auction. The 2026 SRECs were created in GATS as generation between June 1, 2025 and May 31, 2026. The 2027 SRECs were created in GATS as generation between June 1, 2026 and September 30, 2026.

Class I REC Product

There are no Class I RECs available in this October 2026 Auction.

The Auction Manager will provide to bidders with their Notification of Qualification the exact number of 2026 and 2027 SRECs that will be available at the Auction.

I.3 Application Website Platform

Each bidder provides the information required in Section II.1 of the Auction Manual exclusively by using the online qualification form (<https://njsrec-application.com/>) accessible through the SREC Auction website. The Auction Manager will send a reminder of a returning bidder's login information to access the online qualification form.

I.4 Bid Assurance Collateral

No bid assurance collateral is required for the October 2026 SREC Auction. Each bidder will be able to bid on all blocks of SRECs available in the first round of the Auction.

I.5 Additional Instructions

The Auction Manager will issue additional instructions to bidders regarding the secondary bidding method with the Notification of Qualification. The Auction Manager will accept electronic signatures on the Representation Form, but the Auction Manager may in that case confirm the identity of the signatory by phone.
