I.2 Ranges of SRECs Available

PSE&G, JCP&L, and ACE will be the sellers in the Auction. There will be a single vintage of SRECs, namely 2016 SRECs. The EDCs estimate that there will be between 35,000 and 60,000 SRECs created in GATS as generation between June 1, 2015 and May 31, 2016 available at Auction.

The Auction Manager will provide to bidders the exact number of SRECs that will be available at Auction with their notification of qualification.

I.3 Bid Assurance Collateral

To participate in the Auction, bidders must provide bid assurance collateral by 12 PM (Eastern Prevailing Time) on **Thursday, June 30, 2016**. The amount of bid assurance collateral is \$1/SREC for the maximum that the bidder intends to bid in the first round of the Auction. The maximum amount of bid assurance collateral is \$5,000. Bidders must provide their cash bid assurance collateral by wire transfer in accordance with the instructions provided with their login credentials for the online qualification form.

A bidder that submits \$5,000 as bid assurance collateral will be able to bid on all blocks available in the first round of the Auction. A bidder that submits less than \$5,000 as bid assurance collateral will be able, in the first round of the Auction, to bid on a number of blocks corresponding to the amount of bid assurance collateral that the bidder submitted divided by the block size (rounded up).
